Re: Your Package to Leonard

Dear Clans:

We are in receipt of your package, which included your album, *Silver Park: Time Whisper*. We are honored that you have dedicated your album to Leonard, and as a token of our appreciation, I have enclosed an autographed book of Leonard's poetry entitled, *Stranger Music*, for you. Please forgive Leonard in advance for his inability to respond personally, as the volume of correspondence has become overwhelming.

Warm regards,

Robert B. Kory
